To the best of our knowledge, information and belief, the forms submitted herewith are in compliance with the provisions of the insurance laws, rules, regulations and bulletins of your state, and such forms contain no provisions previously disapproved by your Department.

Form S203-12 is an individual fixed single premium deferred annuity policy with an early withdrawal charge period of 7 years. The owner may make partial withdrawals at any time before the Annuity Date. The issue ages are 0-90. The policy will be marketed through financial institutions and will be both home office and field issued, except for rollovers and transfers which are only home office issued.

Form 212-4X-AR, previously approved by your Department on 5/02/2012, is the application used to apply for this policy.

Form R384-05, approved in your state on 12/21/2005, will be issued with this contract. This form is a Premium Guarantee Endorsement, which guarantees the single premium payment. If a full withdrawal is taken at any time, the customer will receive at least the amount of the single premium paid, less any prior partial withdrawals. DEFINITIONS:

Annuity Date: The date income payments will begin.

Annuity Value: The Annuity Value equals the single premium received, plus any interest earned, minus any applicable premium tax, minus any previous withdrawals and related early withdrawal charges.

Annuitant: The natural person to whom income payments will be made.

Owner: The primary Owner and any Joint Owner, collectively.

Policy Date: The date this policy was issued and the date on which the single premium began earning interest.

We, us, our: Western National Life Insurance Company.

Withdrawal Value: The amount You would receive upon a full withdrawal of Your Policy. The Withdrawal Value equals the Annuity Value after any applicable withdrawal charges have been deducted.

You, Your: The Owner.

OWNER

The Owner is the person or entity entitled to the ownership rights stated by this policy.

As the Owner, You have the right to:

- Name a different Owner.
- Assign Your interest in the policy to another person.
- Name or change the beneficiary.
- Withdraw money from Your annuity.
- Select an income plan and specify its start date. (See *Income Plans* on page 7 for details).
- Receive the annuity income payments once the income plan has been established.

- Terminate Your annuity and receive the Withdrawal Value.

JOINT OWNER

If this policy is non-qualified, it may be owned by Joint Owners. Upon the death of either Owner, the surviving Joint Owner will be the primary beneficiary. If another result is desired, the Owners may specifically designate that a surviving Joint Owner will not be the primary beneficiary.

ANNUITANT

An Annuitant is a "measuring life" and has the following effects on the annuity:

- If You choose an income plan that guarantees payments for life, the age and sex of the Annuitant is used to calculate the income amounts, unless unisex mortality factors apply to Your policy. (See *Employer-Sponsored Plans* on page 10 for more information).
- If the Annuitant dies before an income plan begins, the Owner may designate a new Annuitant, subject to our underwriting rules then in effect. If the Owner is not a natural person, the death of the Annuitant will be treated as the death of the Owner.
- If the Annuitant dies after an income plan begins, income payments will end unless the income plan chosen calls for payments to continue after death.

BENEFICIARY

The beneficiary is the person or persons who will receive payment if:

- The Owner dies before an income plan has started, or
- The Annuitant dies while payments are being made under an income plan that calls for payments to continue after the Annuitant's death.

See the *Joint Owner* provision above for its effect on the beneficiary.

If no beneficiary is living when the money becomes payable due to death, We will pay the Owner or Owner's estate.

CHANGES TO OWNER, ANNUITANT OR BENEFICIARY

Beneficiary. If You make a beneficiary change, the change will take effect on the date You sign the change request form. However, We are not responsible for any payment or other action taken before We have received and acknowledged in writing Your change request.

Annuitant. The Annuitant is the person designated by the Owner in the application, unless changed prior to the Annuity Date. The Annuitant may only be changed prior to the Annuity Date as follows:

- If the Owner is a natural person, he or she may change the Annuitant upon the death of an Annuitant who is not the Owner; or
- An Owner who is a natural person and who is not the Annuitant may designate himself or herself the Annuitant at the time the Owner requests an income plan in writing.
- An Owner who is not a natural person may not change the Annuitant.

Any change of the Annuitant is subject to our underwriting rules in effect at the time the change is requested, including underwriting rules regarding the age of the Annuitant.

Assignment and Ownership. If You assign Your policy or make an ownership change, the change will take effect on the date You sign the change request form. However, We are not responsible for any payment or other action taken before We have received and acknowledged in writing Your change request.

We are not responsible for the validity of any assignment or ownership change. An assignment

or ownership change may be a taxable transaction. Consult Your tax advisor to determine any tax consequences.

POLICY VALUES

Your **Annuity Value** equals:

- The single premium received,
- plus all interest earned,
- minus any applicable premium tax (see page 9),
- minus any previous withdrawals and related early withdrawal charge.

Your **Withdrawal Value** is the amount You will receive upon a full withdrawal or surrender of Your policy. It is equal to the Annuity Value after any applicable early withdrawal charges have been deducted.

Interest

Interest is credited to Your annuity daily. All interest rates quoted are effective annual interest rates. This is the yield that results after interest has compounded daily for a full year.

We set interest rates according to the following guidelines:

- The single premium will earn interest at the interest rate and for the time period shown on Your annuity application and Schedule Page. Thereafter, We will declare the new rate from time to time.
- The table on page 10 shows the minimum Withdrawal Values We guarantee. These values could be greater if We pay or credit interest in excess of the guaranteed minimum interest rate.

Prior to the selection of an Income Plan, We guarantee Your effective annual interest rate will always be at least as large as the guaranteed minimum interest rate set forth in Your annuity application and on the Schedule Page, regardless of future economic conditions.

WITHDRAWALS

For the purpose of calculating permitted free withdrawals and early withdrawal charges, withdrawals will be treated as coming first from interest earnings, and as a return of premium only after earnings have been exhausted.

Permitted Free Withdrawal Option

After thirty days from the Policy Date, You may take multiple withdrawals each policy year not exceeding in total the greater of (i) the accumulated interest; or (ii) 15% of the Annuity Value as of the previous policy anniversary or the Policy Date if taken in the first year, which includes any interest credited on that date. We will not deduct from these withdrawals any early withdrawal charge. If You do not use all of the 15% free withdrawal percentage in a policy year, You may carry the remainder over to the next policy year, up to a maximum of 20% of the most recent policy anniversary Annuity Value. The maximum free withdrawal in any year may not exceed 20% of the most recent policy anniversary Annuity Value except where the accumulated interest earnings remaining in the policy exceed 20%.

Early Withdrawal Charges

An early withdrawal charge may be deducted if You withdraw more than Your permitted free withdrawal amount. The early withdrawal charge is equal to the percentage(s) shown on page 1 of the amount of premium withdrawn. After seven years from the Policy Date an early withdrawal charge will not apply.

The table on page 10 shows the minimum Withdrawal Values We guarantee. These values could be greater if We pay or credit interest in excess of the guaranteed minimum interest rate.

Income Tax Consequences

Withdrawals from Your annuity may be subject to federal and state income taxes. For tax purposes, withdrawals will be treated as coming first from

interest earnings, and as a return of premium only after earnings have been exhausted. Income taxes may apply sooner if the Owner is not a natural person and if an exception to annual taxation does not apply. Income taxes may also apply sooner if You transfer all rights in this policy to another Owner or Annuitant.

The taxable portion of withdrawals taken before You reach age 59½ may be subject to an additional 10% federal income tax. This penalty tax is distinct and separate from any early withdrawal charge that may apply. If the Annuity Date is not more than one year after the Policy Date or if You begin an Income Plan with payments over Your life or life expectancy, this additional 10% tax may not apply.

Consult Your tax advisor regarding Your specific situation.

Partial Withdrawals

You may withdraw a portion of the Annuity Value any time before an income plan has begun. Withdrawal requests must be for a minimum of [\$250]. Your withdrawal, plus any early withdrawal charge as described above, will be deducted from Your Annuity Value. Your Annuity Value after a partial withdrawal must be at least [\$2,000].

Full Withdrawal/Termination

A full withdrawal will terminate Your policy. If You make a full withdrawal within seven years of the Policy Date, the early withdrawal charges will apply.

Deferral of Payments

In accordance with state law, We may defer payments up to six months after receiving a request for partial or full withdrawal, subject to written approval by the insurance commissioner of the state where this policy is delivered. If We defer payment, interest will continue to accrue until the payment is made.

INCOME PLANS

An income plan allows You to apply Your Annuity to create a guaranteed income for life or for a specified period. An income plan begins on the Annuity Date. As of the Annuity Date, the Owner and the Annuitant will be the same (Owner/Annuitant). The Owner may select either the Owner or the Annuitant to be the Owner/Annuitant, beginning on the Annuity Date, subject to the limitations described in this section and in the *Annuitant* provision of this policy.

If the Owner is a natural person, and if the Owner does not elect otherwise, the Owner will be the Owner/Annuitant on the Annuity Date. If the Owner is not a natural person, and if the Owner does not elect otherwise, the Annuitant will be the Owner/Annuitant on the Annuity Date. An Annuitant who is also a representative of an Owner that is not a natural person, such as an Annuitant who is the trustee of the trust under which the policy is held, may receive income plan payments in a representative capacity.

Any change of Owner or Annuitant can have income tax consequences, and may cause the distribution requirements in this policy to apply. We will pay the income to the Owner or a designated payee.

The amount of income paid under an income plan will depend on the amount applied to purchase the Plan, less premium tax, if any, and the income plan option selected. The minimum income plan values are based on the [A2000 Individual Annuity Valuation Table], sex distinct, with interest at [1.5%]. The attained age at annuitization will be adjusted downward by one year for each full five year period that has elapsed since January 1, 2000. The table on page 11 shows the guaranteed minimum income plan values for monthly payments. These amounts could be greater, depending on the actual interest rates and the payment frequency selected.

For each plan, the amount shown under the Annuitant's sex and age as of the Annuity Date is

the minimum amount that We will pay monthly for each \$1,000 applied to purchase the plan. Upon request, We will provide information on payment amounts for other ages or for unisex mortality factors. (See *Employer-Sponsored Plans* on page 9 for more information.)

You choose the Annuity Date. The Annuity Date may be any time after three years from the Policy Date. (You may choose an earlier Annuity Date, but the early withdrawal charge will be deducted before the income payment amount is calculated.)

If You do not elect an earlier date, income payments will start when the Owner reaches age 100. The income plan options are described below. If You do not choose another income plan, We will pay according to Plan B, with payments guaranteed for ten years.

Your income plan options are:

Plan A - Life Income: Provides income payments for the Annuitant's entire lifetime. Income payments will end upon the Annuitant's death.

Plan B - Life Income with 5, 10, 15 or 20 Years Guaranteed: Provides income payments for as long as the Annuitant lives. If the Annuitant dies before the guarantee period is over, We will continue to make payments until the end of the guarantee period. You choose the guarantee period of 5, 10, 15 or 20 years.

Plan C - Life Income with Installment Refund: Provides income payments for as long as the Annuitant lives. If the Annuitant dies before the guarantee period is over, We will continue to make payments until the total amount applied to the plan has been refunded. The length of the guarantee period is calculated by dividing the amount applied to the income plan by the monthly income payment amount.

Plan D - Fixed Amount: Provides fixed amount income payments for a minimum of five years and a maximum of 20 years in an amount elected until the amount applied is exhausted.

Plan E - Fixed Period Income: Provides equal periodic income payments for a predetermined number of years only. The fixed period may be from five to 20 years.

Payments may be made according to one of these income plans or as We otherwise agree.

At least 30 days prior to the Annuity Date, You must:

- Return this policy.
- Indicate the income plan You have elected.

After an income plan begins, Your policy will change:

- Your Annuity on the day the income plan starts will be applied to the income plan of Your choice.
- This annuity policy will be terminated and replaced with our agreement to make periodic payments under the income plan selected.
- No further withdrawals may be made.
- Income payments will be made monthly, quarterly, semiannually or annually, as may be requested. The minimum payment is [\$50]. We will make payments less frequently if Your chosen payment schedule results in a smaller payment. We may periodically require proof that the Annuitant is still living.

DEATH BENEFITS

Death of Annuitant Before Annuity Date

If an Annuitant who is not an Owner dies before the Annuity Date, the Owner may designate a new Annuitant, subject to our underwriting rules then in effect. If no designation is made within 30 days of the death, the Owner will become the Annuitant. If the Owner is a non-natural person, the death of the Annuitant will be treated as the death of the Owner; a new Annuitant may not be chosen.

Death of Owner Before Annuity Date

The Annuity Value will be paid to the beneficiary upon the death of any Owner before an income plan begins. (If the Owner's Spouse is the sole beneficiary, there is an important exception, which is explained below.) Upon the death of a Joint Owner, the surviving Joint Owner, if any, will be treated as the primary beneficiary (unless the Joint Owners have notified Us in writing prior to the death of a Joint Owner that the surviving Joint Owner will not be the primary beneficiary). Any other beneficiary designation on record at the time of death will be treated as a contingent beneficiary.

If We receive a claim for the death benefit and proof that the death occurred before an income plan began, We will pay the Annuity Value to the beneficiary. The beneficiary may choose to receive it:

1. In a single sum paid within five years of the date of death; or
2. Under any of the income plans described in *Income Plans* on page 7. In this case, the beneficiary functions as the Owner and Annuitant and may choose a new beneficiary. The income must start no later than one year after the date of death. In addition, the income must be over a period, which does not exceed the life or life expectancy of the beneficiary. Income plan options are available only if the beneficiary is a natural person.

Surviving Spouse Exception: If the Owner's spouse is the sole beneficiary, upon the death of the Owner, the surviving spouse may, upon request, become the Owner and Annuitant of the policy, continuing the policy. Otherwise, the surviving spouse may select an income plan option or request that We pay the Annuity Value in a single sum.

The Annuity Value will continue to earn interest until the date one of the above options goes into effect. If We do not receive a written notice of the option selected within 60 days after We receive

acceptable proof of death, the Annuity Value will be paid as a single sum.

Death After Annuity Date

If the Annuitant dies while payments are being made under an income plan, those payments will end unless the income plan chosen calls for payments to continue after the Annuitant's death. These payments will be made at least as rapidly as they were being made at the time of death.

GENERAL INFORMATION

The Contract. The annuity policy, schedule page, Your application, and any riders or endorsements constitute the entire contract. All statements made in the application are, in the absence of fraud, representations and not warranties.

Your Application. By signing the annuity application You agree that:

- All the statements and answers given by You on the application are true and complete to the best of Your knowledge.

A copy of the application is provided to You as part of this annuity policy.

Misstatement of Age or Sex. You will, upon request, provide proof of the Annuitant's birth date and sex. If the birth date or sex has been previously misstated, income amounts will be adjusted to the proper amounts for the true age or sex.

Changes. No change will be made that adversely affects Your rights unless the change is required by law. However, subject to any required regulatory approval, We may modify the policy so as to qualify as an annuity under the provisions of the Internal Revenue Code, as may be amended. You will be provided with notice of any change affecting Your policy.

Only an officer of Western National Life Insurance Company may modify any annuity policy or waive any requirement in the

application. Any changes must be in writing and signed by an authorized officer.

Nonparticipating. This annuity policy pays no dividends and has no voting rights.

Incontestable. This annuity policy is incontestable.

Employer-Sponsored Plans. This annuity policy will have unisex mortality factors applied to its income plan if the policy is part of an employer-sponsored retirement plan under the provisions of Internal Revenue Code sections 401, 403, 457 or other pertinent section.

Applicable Law. This annuity policy is governed by the laws of the state in which it is delivered. All Annuity Values, Withdrawal Values, paid-up annuities or death benefits available from this annuity policy are at least equal to those required by that state.

Annual Statement. We will send You a statement showing Your Annuity Value, Your Withdrawal Value and the activity in Your annuity at least once each policy year until You start an income plan.

Premium Tax. Some states charge a premium tax on annuities. If a premium tax is due, We may find it necessary to deduct the tax from the sum of Your premium payments, or from Your Annuity Value at the time of withdrawal or when the Annuity Value is applied to an income plan.
